Requests Sanction to draw the Salary of the Corporation establishment as settled for January and February 1952

-

In view of certain modifications in the Schedule of establishment and the Calc & Issue of the G O on 9.1.52, some delay is occasioned to obtain approval to the allocation of the Scales as per the Sanctioned Schedules which requires the making of certain adjustments to provide Scales for officials who hold posts which are abolished. To avoid hardship, the Coomar requests Sanction to draw the Salary at the old Scales for the months of February and March '52. The have been allowed all these months and there may perhaps be no harm in their continuing to draw at the old Scales for two more months

If approved the Corporation should be requested to adjust claims at the old Scales for

SIR,

SUBJECT -Schedule of Establishment of the Corporati

Adverting to Government Order No L 11018-23/ M 5-5 dated 5/9th January 1952 sanctioning the Schedule of Establ of the Corporation with certain modifications, I write to s as follows -

It is stated that the existing posts in the Corporation which are not included in the Schedule should be discontinued from 1st January 1952 unless they are covered by separate sanction

The Auditor of the Corporation in his letter No 170/C A dated the 18th January 1952 (copy enclosed) has stated that the pay bills should be prepared according to the new Schedule and sent for audit by the 23rd January 1952 to verify them, whether they conform to the Sanction Schedule of Establishment etc , But the following difficulties are being experienced -

1 On account of the merger of the City and Civil Station Establishments, certain posts are proposed to be abolished in the schedule and certain other posts have been created afresh The officers and officials who are now working in the posts to be retrenched will have to be allocated in the new posts created until the officers and officials whose present posts will be abolished, are fixed in the sanctioned posts in the allocation

P T O

allocation and approved by the Government, their salary cannot be drawn and disbursed in the newly sanctioned posts

2 The posts in which some officials are actually working will have to be abolished according to the new Schedule As they have already worked during the current month, and their services will have to be continued till all the officials are fixed up in the allocation in the interest of the public service, their salary will have to be drawn and disbursed for the current and the coming months

3 As the Government Order sanctioning the new Schedule is received on the 10th January 1952, the time is too short to make necessary adjustments and fix up Officers and Officials in the sanctioned Schedule This will have to be done only after the sanction of Government is received allocating the Revenue Officer, Assistant Revenue Officers, Octroi and Market Superintendents etc Orders of Government are awaited in this matter In these circumstances, it is inevitable to continue and draw the salary and allowances of some of the Officers and Officials according to the old schedule These officials will be put to great hardship, if they are not paid till the allocation is sanctioned Action is being taken to get the allocation scrutinised by the Auditor and the same will be submitted to Government for sanction early

I therefore request you kindly to obtain sanction of Government for the preparation of the Salary and Establishment Bills as hitherto according to the Old schedule for January and February 1952

SUBJECT -The proposition statement of the Corporation as sanctioned in G O No L 11018-23/C M 5-51-8 dated 5/9-1-1952

In inviting reference to the Government order quoted above, I write to state that instructions may kindly be issued to the several drawing officers under the Corporation to strictly conform to the several changes made by Government in the Proposition statement and in particular to strictly adhere, while preparing the salary and establishment bills, to the direction that the existing posts in the Corporation which are not included in the Schedule be discontinued from 1st January 1952 They may also be informed that the salary and establishment bills may kindly got prepared and forwarded to the Audit Section by 23rd January 1952 at the latest, in order to scrutinise the bills and verify them whether they conform to the sanctioned schedule of establishment Any delay in forwarding the bills to the Audit Section on the date noted above is likely to postpone the date of admitting the bills in audit to a correspondingly later date

The following four points which have to be kept in view by the drawing officers while preparing the salary an establishment bills may kindly be intimated to them if no separate action has already been taken in the matter

1 Salary for additional posts which are not sanctioned in the proposition statement should not be drawn

2 Certain reductions in the strength of the staff in the different departments of the Corporation have been proposed and approved by Government The salary of such posts should not be included in the bills For instance, wherever two Head Clerks are working and in their place Government have sanctioned only one Section Manager salary for the two Head Clerks should no longer be claimed The question of the recovery or otherwise of the pay already given to such retrenched staff from 1st April 1950 may kindly be taken up

3 Allowances to such of the officers who are now drawing them and to whom they are not sanctioned with Government order quoted above, should not be drawn The question of recovery of the allowances already drawn from 1st April 1950 to 31st December 1951 may kindly be taken up

A list of the reductions effected by Government according to departments is given below The exhaustiveness or otherwise of the same may however be compared with sanctioned schedule of establishment and necessary action taken in preparing claims

READ:-

Correspondence ending with letter No.B1/51-52 dated 20th June 1951 from the Commissioner, Corporation of the City of Bangalore, forwarding the proposition and allocation statements in respect of the Corporation Establishment as sanctioned by the Corporation in its resolution dated 30th December 1950.

2. Un-official Note No 207/CSA dated 13th November 1951 from the Controller, State Accounts Department, returning after scrutiny with his remarks, the proposition statements and adding that the allocation statements have been returned to the Commissioner to take up their verification after orders of Government are passed on the proposition statement.

ORDER NO.L 11018-23/Com S 51 8

Dated, Bangalore, the 5/9/52

The Schedule of establishment of the Corporation is approved with effect from 1st April 1950 subject to the following modifications:-

Commissioners Office:

(1) The post of the Commissioner need not form part of the Schedule as under Section 13 of the Corporation Act, Government have to fix the pay and allowances of the Commissioner.

(2) The Grade pay of Rs 300-25-500 proposed for the Personal Assistant to the Commissioner is accepted. There is however no need to attach any allowance to the post as long as it is held by an official in the Corporation service.

(3) The Grade pay of the Manager is fixed at Rs.170-10-250 as in the case of Managers of the offices of Heads of Government Departments as against Rs 200-20-300 proposed.

(4) The scale pay of the Head Accountant is fixed at Rs.110-8-150 so as to conform to the pay of similar posts in the Revenue Department.

(5) The post of the Council Clerk may be a First Division appointment but no allowance is necessary.

(6) The remuneration to the Advocates is modified to Rs.150/- per mensem retainer's fee, plus advalorem fee as has been already sanctioned.

HEALTH DEPARTMENT:

(7) Managers' pay is fixed at Rs 110-8-150 so as to conform to the pay of similar posts in the Revenue Department.

(8) The strength of the Second Division Clerks is proposed to be increased from seven to ten. There is no justification for increase of clerical staff in a technical section. Hence the proposal to increase the clerical staff is not approved

(9) Assistant Health Officers, Antimalaria is proposed to be given a conveyance allo ance of [illegible].75/- per mensem. Since the allowance should bear a proportion to the pay, a conveyance allowance of Rs 45/- per mensem is sanctioned as is given to Amildars of Food Supplies Department working in Bangalore.

REVENUE DEPARTMENT:

(10) A conveyance allowance of Rs 50/- each per mensem is proposed for the Two assistant Revenue officers In view of the limited jurisdiction and their lower status, a conveyance allowance of Rs 30/- per mensem each is adequate

(11) The scale of pay of the Section Manager is fixed at Rs 110-8-150 so as to conform to the pay of similar posts in the Revenue Department.

ENGINEERING DEPARTMENT:

(12) The scale of pay of the Section Manager is fixed at Rs 110-8-150 so as to conform to the pay of similar posts in the Revenue Department.

(13) In addition to the Section Manager, the post of a Head Clerk in Grade Rs 90-6-150 is proposed The post of a Head Clerk for the Section is superflous and is deleted.

(14) All the posts of Sub-overseers have been proposed to be converted to those of Overseers Since it is desirable to have a certain proportion of Sub-overseers also, one Graduate Surveyor, Twenty Overseers and twentyfour sub-overseers are sanctioned.

OCTROI DEPARTMENT:-

(15) The conveyance allowance of [illegible].50/- per mensem proposed for the octroi Superintendent is reduced to Rs 30/- per mensem as in the case of Assistant Revenue Officers

(16) An allowance of Rs 20/- per mensem is proposed for the Head Clerk As there is no valid reason for the grant of this allowance, the same is deleted.

(17) The conveyance allowance of Rs.~~50~~/- 15/ per mensem proposed for the Assistant Octroi Superintendent is reduced to Rs.10/- per mensem.

MARKETS.-

(18) The conveyance allowance of Rs 50/- per mensem proposed for the Market Superintendent is reduced to Rs.30/- per mensem as in the case of the Assistant Revenue Officers and the Octroi Superintendent.

EDUCATION DEPARTMENT:-

(19) The scale of pay of Rs.130-10-200 proposed for the Head Masters is approved The present incumbents are however allowed to retain their present grade of Rs.170-10-250 sanctioned in Government Orders No.E 2438-40/EDN 44-47-6 dated 13th September 1949 and No.E 4440-61/EDN 187-46-5 dated 13th November 1948 as personal to them.

The existing posts in the Corporation which are not included in the schedule should be discontinued from 1st January 1952 unless they are covered by separate sanction.

The pay of the incumbents in the revised grades should be fixed as per provisions of the Mysore Service Regulations and no person who was not actually holding the post after 1st April 1950 should get the benefit of the revised scales.

The allocation statements fixing the pay of the officials in the new grades may be sent up for approval of Government through the Controller, State Accounts Department, after due verification.

The Commissioner will also arrange to send two copies of the revised proposition statement on the basis of the above modifications after verification by the Auditor for record in this office.
